

SUBTITLES

Accessible Communication Developers

WHAT IS IT?

Subtitles are text over a video that contains any audio information belonging to the original production which was translated to a different language. This feature in a video production allows people that speak a different language to have access to information on media.

PACKAGE INCLUDES (English/French/Spanish available)

- Subtitle files
- Subtitles and layback to tape formats
- Subtitles for the Deaf and Hard of Hearing (including translation if it is a different language)

TECHNICAL SPECIFICATIONS REQUIRED

- Low resolution audio/video file (.mov file preferred) in case no physical media is required. Multiple captions and subtitle formats supported
- Master tape has to be provided in case physical media creation is needed. Multiple physical formats supported
